**Sd/-
Chief Engineer
Transmission (North) Kozhikode.**

Eligibility and qualification of Intending Bidders.

The intending bidders shall, inter-alia, meet the following criteria to qualify for the award of contract.

- a. The bidder should be a reputed manufacturer of 33kV and above UG Cable having five years manufacturing experience in India confirming to BIS/IEC specification. The manufacturer should produce proof of having supplied cables to various Government utilities/Public sector organisation in India like PGCIL/NTPC etc. The manufacturers can do the laying work himself or sublet the works to any responsible contractor who have minimum five years experience in laying of cables of 33kV and above. The final testing and commissioning of the cable will be the responsibility of the manufacturer/bidder.

OR

The bidder should be a large EPC contractor capable of supplying 33kV cable of reputed Indian manufacturer confirming to BIS/IEC specification, laying testing and commissioning of 33kV cable as specified in the bid. The EPC contractor should have 5Years experience in undertaking such 33kV and above cable projects any where in India (Produce proof).

- b. The bidder should be solvent for an amount equal to **Rs.7,70,00,000/-** and should submit latest solvency certificate issued by Nationalized or approved Scheduled Bank in original or attested by the notary public clearly indicating to what extent the firm is solvent, in the Board's prescribed format (**sample form E in Section 3**) and in the letterhead of bank. The date of solvency certificate should be within six months prior to the date of submission of bid.
- c. Firm should have achieved minimum annual turnover of an amount equal to **Rs 11,60,00,000/-/-** in each of the last 3 years.
- d. Firms accepting Board's payment, penalty and completion period will alone be pre-qualified Tenderers should have the capacity to engage sufficient number of gangs for achieving the target within the time schedule.

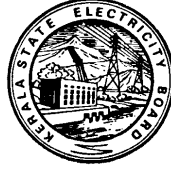

- e. Bidder should have Possession or capability for timely acquisition/procurement (own, lease, hire etc} of the following essential equipment: -
 - a. Construction machinery for civil/electrical works.
 - b. Material handling facilities for erection.
 - c. Equipment for laying and jointing works
 - d. Equipment for testing and commissioning
- f. The bidder should not anticipate a change in ownership during the proposed period of execution of works (if such a change is anticipated, the scope and effect thereof shall be defined).
- g. The bidder should submit attested copies of complete test certificates with results of all the tests (type tests) conducted as required in the IS/IEC mentioned in the schedule / specification. **Only the tests certificates from CPRI or any other similar recognized institution/accredited laboratory will be accepted.** The test certificates should contain the dimensional drawing and weight. If no such test certificates are enclosed with the bid, the same is liable to be rejected.
- h. Offer with a guarantee period of 48 months from the date of order or 36 months from the date of commissioning and taking over by KSEB Ltd, whichever is earlier, will alone be considered. If any defects are noticed during guarantee period that should be rectified/replaced by the contractor itself as per section 4C. It is the obligation of the contractor to supply necessary spare parts and service of the all supplied equipment for its entire life period. After the expiry of the Guarantee period KSEB Ltd will provide the necessary financial assistance.
- i. Sub-Contractor's experience and resources shall not be taken into account in determining the Bidder's compliance with these qualifying criteria indicated in 4.1 above
- j). The bidder shall be permitted to purchase optic fibre cable and its terminal equipment, Straight joints, end termination kits, link boxes, HDPE pipes, Cast iron pipes, and GI pipes etc. conforming to IS/IEC from reputed manufacturers.
- k) In case of imported materials/items the bidder shall make his own arrangements and KSEB Ltd. shall not render any assistance in this

regard. Further the contractor is to appoint an authorized resident representative for liaison and allied works.
